Approved By NCTE, Govt. Of Maharashtra & Affiliated To SGBAU AMRAVATI.

- **Access to Resources:** Computer labs provide students with access to technology, enabling them to engage with online courses, research materials, and educational platforms.
- **Flexible Learning:** Wi-Fi across campus supports self-paced learning, allowing students to study anywhere, anytime, using their devices.
- **Skill Development:** Exposure to digital tools and online platforms helps students build essential tech skills for academic and professional growth.
- **Equity in Education:** Providing these facilities ensures students without personal devices or reliable internet at home can still participate in online learning.

Considerations for Optimization:

- **Infrastructure Maintenance:** Ensure computers, software, and Wi-Fi networks are regularly updated and maintained for seamless access.
- **Technical Support:** Offer on-site tech support to assist students with connectivity or software issues.
- **Accessibility:** Provide extended lab hours and consider accessibility features for students with disabilities.
- **Training and Awareness:** Conduct workshops to guide students on using online learning platforms effectively and safely.
- **Bandwidth Management:** Ensure the Wi-Fi network can handle high traffic to prevent slowdowns during peak usage.
